IBM Certified Solution Advisor – IBM Cloud Foundations v2

1. New exam as of April 2020 - <https://www.ibm.com/blogs/ibm-training/new-exam-announcement-ibm-certified-solution-advisor-ibm-cloud-foundation-v2/>
2. Requires passing 1 test - <https://www.ibm.com/certify/exam?id=C1000-083>
 - 60 questions in 90 minutes – must get 43 correct (~72%) to pass
 - This is a “fundamentals” exam that is the first certification in your IBM Cloud Journey. More advanced courses/certifications in the future.
 - Exam focuses on key IBM Cloud Point-of-View concepts, IBM Public Cloud Services (IaaS/PaaS), and Cloud Native Design
 - Hands-on experience is highly recommended
3. Official study guide: https://www.ibm.com/certify/api/getpdf/studyguides/stuc1000_083
